Product description

The premium tablet wall mount is suitable for the professional use of tablets in manufacturing and logistics. Tablets with a protective cover can be inserted into the variable and 23 mm deep holder so that sensitive tablet PCs can be used safely in any environment. The ease of installing the adapter makes the TABLET HOLDER WALL XL ideal for industrial applications.

- Variable fit for all tablet sizes from 7" to 13"
- With rubberized surfaces for gentle clamping of the tablet
- Symmetrical opening of the holder from 160 to 275 mm
- 23 mm deep module for tablets with case (can also be used without case)
- Easy insertion and removal of the tablet
- Rotatable: 360° for portrait and landscape format, with snap-in points at every 90°
- Cable management: Aperture in the holder serves as charging cable outlet for the tablet
- Strong and secure attachment on walls, easily attach with an adhesive pad or self-tapping screws
- Note: Only attach to clean and solid surfaces to ensure optimum adhesive strength (min. 1,000g). Adhesive pad can be removed without leaving any residue.
- Materials: Aluminium, ABS
- Dimensions: 85 x 50 x 180 mm (W x H x D)
