Product description

The professional way to display.

The infotrame DURAFRAME® POSTER SUN is suitable for displaying information and advertising on glass surfaces exposed to sunlight.

- Present information in a premium and professional way
- Quick insertion and exchange of documents via a fold-back magnetic frame
- Self-cling frame designed specifically for displaying information on internal glass and shop windows exposed to direct sun light.
- Areas of application: for posters and advertising in shop windows
- Easy to attach to glass surfaces; can be removed without leaving residue residue and reusable.
- Heat resistant up to 70°C
- UV-stabilised for up to 2 years
- When applied to glass information can be read from both sides
- Frame looks identical from both sides
- For use in portrait and landscape formats
- External dimensions: 745 x 1045 mm
