Product description

The professional way to display.
The infoframe DURAFRAME® GRIP is ideal for displaying documents on textile surfaces.

- Present information in a premium and professional way
- Quick insertion and exchange of documents via a fold-back magnetic frame
- Easy to attach to textile surfaces such as fabric panel, textile walls, partition walls and acoustic panels.
- Areas of application: for documents in A4 format, e.g. Telephone lists on textile partitions at the workplace
- For use in portrait and landscape formats
- External dimensions: 236 x 323 mm

Application Note:

The product should be removed from the wall by cautiously pulling it off horizontally. Avoid pulling it upwards or downwards. After application on textile surfaces, the fabric may show more loops or pulled-out threads. Please make sure that the reverse side of the product does not come into contact with your clothing, which could be damaged by the product's gripping structure.
